By signing this document you authorize UCFD to complete a background check of your driver's license along with your driving record. You also acknowledge you have read the UCFD BOG - Minimum requirements for all drivers regarding driver training expectations.

Phase 1 driving non emergency with a driver trainer to familiarize yourself with apparatus and to participate in scenarios pertinent to the vehicle

Phase 2 driving non emergency with the training officer or their designee to participate in a scenario pertinent to the vehicle to acquire authorization for a "HOT RUN" to become a driver of the vehicle being trained on.

Phase 3 Driving in emergency mode with training officer or a designee for final qualification on apparatus.

The number of calls required to obtain driver certification is dependent on the candidates satisfactory performance and recommendation of all associated trainers.

Any questions feel free to contact the UCFD Training Officer or any Chief officer
