

	<b>UNION CENTER FIRE COMPANY INC.</b> <b>Best Operating Guidelines</b>	
	<b>Subject: ID Tags - Yellow</b>	<b>BOG Series General</b>
		<b>Initiated 01/01/04</b>
<b>Approved: Chief Mark Belensky</b>	<b>Revised 05/07/22</b>	

Any firefighter that has been issued a ‘Yellow’ tag status, will be considered an exterior firefighter. Along with this status, the firefighter must complete a bi-annual OSHA physical. The firefighter may be allowed to perform all tasks including the use of SCBA, when appropriate knowledge and training has been approved by the Training Officer and Chief. Also that member must meet the requirements for the OSHA fit test. Once permission is granted, that firefighter will be able to wear an SCBA at Car Fires and any other SCBA function that is of exterior of nature.
