

UNION CENTER FIRE COMPANY OFFICERS MEETING

August 7, 2011

IN ATTENDANCE: T. Silvestri, C. Hoyt, J. VanKuren, B.Bealo

ABSENT:

OFFICER REPORTS

CHIEF:

Wants to review equipment thing (budget)

Sensor for 5 gas is in (with Gary) needs to recal all meters with new gas

Detailed discussion on what has NOT been bought yet-wrote list of things I will order

Long NY hook on PT-53 needs to be sanded to remove rust and re-painted

Called Kunzman- waiting for return call I want to discuss the installation of dry hydrant at pine valley camp ground.

FIRST ASSISTANT CHIEF:

SECOND ASSISTANT CHIEF:

Discussion on mask amps- decision made to issue green tags their own amps instead of in bags on rigs.

Asked chief about the nims transcripts for members- chief will get application for all members to fill out

Asked about fire 34 run card change with regards to tanker fills- has been changed fire 29 to do tanker fill and fire 34 stand-by in quarters

Where are we with 35' ladder going on a rig?

DAY CAPTAIN:

Planning live burn at vestal

Training is going good

Wants a few updated training videos-car fires, brush fires, getting with training officer prior to order

NIGHT CAPTAIN:

FIRST LIEUTENANT: Vacant

SECOND LIEUTENANT: Vacant

Safety Officer

ISO meeting with Endicott water dept. this week

Discussion of improving our non-hydrant ISO rating.

1st alarm run card discussion

Recommends challenging ISO rating of 9 and trying to obtain an 8B (non hydrant district)

OLD BUSINESS

NEW BUSINESS
