

Officers meeting May 5, 2013 @ 18:30

Started at 18:35

Officers present- Hoyt, Belensky, Silvestri, VanKuren, Gazdik, Miga, Serowik

- 1- Started with 1.5 hours of report writing training with image trend on overhead projector. A few key points/requests are below:
 - A- Fire Marshall not to start reports unless officer or member in charge is aware.
 - B- Reports not to be locked until member writing report has changed status to COMPLETE....
Recently learned that the System locks the report after 48hrs of being created. -MTB
 - C- Any problems in reports, request Bob email member completing report of error so we can learn our mistakes and hopefully not continue with same problems in future reports
- 2- Took station key inventory of officers present at request of President Henry
- 3- Handed out 11 BOG's to Officers , that FF Hill has worked on and turned in. Officers should review, add, delete or make corrections to be discussed at next officers meeting, and hopefully get revised BOG's in place.
- 4- Lt, Miga to head ISO rating challenge. Find needed info from contacts and work with training officers to get needed training prior to challenging our rating. To begin when officer class is complete.
- 5- Recommendation from EMS Capt. Serowik for Adam Holton to be appointed EMS LT. Chief approved.
- 6- Rig replacement discussion of current/future needs
 - A- Complete new brush truck
 - B- Re-chassis Rescue,
 - C- Replace EMS with current Car 53 and spec new Car 53
 - D- Get pricing to upgrade squad with CAFS
 - E- Spec new rig for station 2 with CAFS/move current squad to station 1 to replace PT

Discussion if current Squad will fulfill our current/future needs at station 1 or would a different rig be better choice. A more in depth discussion/study can follow, but all agreed PT needs to be replaced.
