Hi girls the treasures report stands that we currently have a 1000.00. We have camp chairs bought that will be deducted off but will not show till next meeting. Sorry I'm not there tonight I am working this evening. Have a great meeting and please welcome the new members. I hope they are there. I did speak to Kelly about a pancake breakfast at Prospect Terrace that my family attended and feel we can definitely put on a breakfast. We can get place mats for free through FASNY and Price Chopper will print out booklets of tickets for us but they need 6 weeks in advance notice. I spoke with the Prospect Terrace Auxiliary President she said she would compile all that they purchased where they went and any other helpful information and pass it on through the chief to Adrian. They also had a 50/50 raffle, baskets that they raffled and a board made up of information of future events. They also held a bake sale. So lots of help info and I got to watch how they ran their function.

Hope To see you all Soon!

Heather
