TREASURER'S REPORT

In the absence of a treasure the following is reported. Budget follow up \$695.20-\$304.80-\$84.00. A different format will be reported once we have our new budget numbers and new treasurer March 1.

HEALTH/SAFETY: Dress warm, wear boots.

TRAINING: Shelia talked about the need for EMS training for the auxiliary with regards to the rehab tent. This is a work in progress and there will be a plan in place once live burn training resumes in the warmer months.

Debbie Dieffenbacher and Kim Greenlee, as well as other auxiliary members have driver training. The question was asked when will they be certified for this? Chief Chris said he would look in to it. He needs to talk to the training officer.

SOCIAL: With the vote of the Fire Department to reinstate the Social committee under the Fire Department they have essentially removed it totally from Auxiliary responsibility. We have no idea what the plans for the up coming events are going to be.

Kids Christmas additional goody bag items were ordered as this was a work in process before the Monthly fire company meeting and vote.

OLD BUSINESS

Can and Bottle drive - Erin Belensky sent an email on this to the Auxiliary. See attached.

Maine Fire Company Auxiliary and Union Center Auxiliary - Kelly Hoyt reported that this is a work in progress. One person in the Maine fire department expressed an interest, but they also know of others that could be interested.

Elections-

The Nominations are as follows. President Kim Greenlee, VP Kelly Hoyt, Secretary, Debbie Dieffenbacher, Treasure Shelia Bealo.

Chief Chris was teller for this election. It was treated as a vote of confidence. All members who were nominated were given a unanimous vote of confidence by the 6 voting members present.

Bylaw committee- Kim read the email regarding voting. It was decided to approach the By-Law committee and ask for a reclassification of the Auxiliary. It was then determined once that was done we could ask that we be present to vote on by-laws and social and community functions that pertain to us.

New Business

Auxiliary clothing: Chief Chris Hoyt sent to Kim Greenlee the web links for clothing sites. An interest was expressed in ordering warmer jackets for the auxiliary and Chris would like everyone to look like a team. There is more than enough money in the budget to cover this we just need to decide what we want.

Chris also needs a list of items and pricing for future incentive items for the Auxiliary.

Hour requirement discussion – Concern by auxiliary members was expressed because of work obligations. This would interfere with meeting the training hour requirement. A suggestion by Shelia was made to suggest a leave of absence for the Auxiliary members who will be away at college.

Parade- St.Patrick's Day Parade March 2, 2014 We will meet at Station 2 by 11:30am to be in Binghamton by 12:30p.m. start time. See Shelia and Bob Bealo for questions.

Could you please forward this out? I dont have everyones email address in my phone.

Randy will give us 7 1/2 cents back on the returns as long as they are separated and counted. That price is for us dropping them off. I was also told that they will supply the bags.
