1st LT.

Report

- Dave will be doing annual flow testing on Monday 1/9 (station 1) and Tuesday 1/10 (station 2). Chris and Mark, please have your packs at station 1 by 8AM on Monday morning 1/9 so Dave can get them done with the other station 1 packs.
- Jeremy will be doing annual fit testing on Tuesday 2/28 at station 1.
- I have printed the latest SCBA bottle hydro sheets and will be placing them in the books and on the Rescue. I will include one for Endicott, if someone can give it to them the next time the Rescue goes down to be filled.
- I have printed the 2017 SCBA check sheets and will update the books before the beginning of the year. Just a reminder that monthly SCBA checks do NOT need to be done for Jan because Dave will be doing inspections.
