Initiating a Mayday

Use the following steps to initiate a mayday call:

➢ Use your radio to call, "Mayday, Mayday, Mayday"

➢ Give a **LUNAR report**   LOCATION,UNIT,NAME,ASSIGNMENT,RESOURCES NEEDED

  ➢ **Activate your PASS device**

  ➢ **Attempt self-rescue**

  ➢ If you can move but are unable to escape the building, find a safe haven to await rescue

  ➢ Point your flashlight toward the ceiling

  ➢ Slow your breathing as much as possible to conserve your air supply

Don't wait to call the mayday when you KNOW you're in trouble, call it when you THINK you're in trouble!
